

Bow Lake Wind Project Community Liaison Committee

Michael DiAngelo

Purpose – Objectives – Conduct

July 23, 2014

Purpose

- **Provide timely communication and education about the Bow Lake Wind Project**
- **Provide a forum for local community members and stakeholders to exchange ideas and share questions or concerns about project plans and activities with Bow Lake Wind Project team**
- **Foster ongoing relationships with the local community, local stakeholders and First Nations**

Objectives

- **Act as a liaison for two-way communications between the Project Team and members of the local community for issues relating to construction, installation, operation and maintenance of the Bow Lake Wind Facility**
- **The CLC is not a forum to present or discuss concerns related to the approval of the Bow Lake Wind Project.**

Code of Conduct

- **Be honest and open**
 - Communication is two-way
 - Appreciate other points of view
- **Be respectful**
 - Be polite
 - Be prompt
 - Help us start and finish on time
- **Focus on current and relevant issues**
 - Stay on track
 - Work to accomplish goals
 - Aim to resolve issues in the meeting unless research or follow-up is required
